1. Blest be the God and Fa - ther Of Je - sus Christ the Son,
 2. Where all those deep af - fec - tions, Which fill the Fa - ther's heart,
 3. E'en whilst we here are wait - ing His rest on high to share,

Who chose us for all bless - ing Ere time had yet be - gun,
 Shall find their sa - tis - fac - tion, Their joy to us im - part ;
 We know our blest re - la - tion As child - ren to Him there ;

That we re - deemed — His chil - dren — Might dwell with Him a - bove,
 Where we, His throne sur - round - ing, Shall Ab - ba, Fa - ther, say,
 And by His Spi - rit's lead - ing, We Ab - ba, Fa - ther, cry ;

And know the depth and ful - ness Of His un - bound - ed love,
 With - in those ma - ny man - sions, Pre - par - ed for that day.
 With ev - er - grow - ing long - ing We seek our home on high.
