1. Our God and our Fa - ther, we come to Thee now
 2. With deep sup - pli - ca - tion, in the Spi - rit we ask
 3. Help them to be fruit - ful in ser - vice and life,
 4. Let them fight a good fight, and run a straight course,

In the name of our Sav - iour, most hum - bly to bow,
 For Thy gui - dance and bless - ing, on their eve - ry task,
 And keep them a - bid - ing and free from all strife,
 Keep true to the Faith and pro - claim it with force,

For Thy ser - vants who've gone forth, to serve far a - way,
 That with bold - ness of utter - ance, Thy Word may re - sound
 That they may be blame - less and harm - less each day
 Let the Word of Christ rich - ly in them al - ways dwell,

And pray for their safe - ty and bless - ing to - day.
 And the gos - pel go forth, with a glad joy - ful sound.
 And hold forth the Word of life, bright - ly al - way.
 And give them Thy peace, as the um - pire as well.

5. As we strive thus together, in prayer now for them,
 We ask Thee to keep them from ungodly men.
 Let their service be always accepted by saints,
 And Thy Word have free course, without let or restraints
